Hello Everyone,
Eric has identified hearing venues for us. Now we need to decide the dates. He needs dates before he contacts law enforcement.

The earliest date we can hold a hearing after the public notice is Nov 21, which is Thanksgiving week. I suggest the South Dakota hearings the week of Nov 28 – Dec 2 or the week of Dec 5 – 9. We can hold the Valentine, NE hearing a different week. It might take 2-3 days to allow for a possible travel day on each side of the hearing day. I will look into the travel logistics on that & get back to you.

I just wanted to check on your availability for travel the weeks of
Nov 28 – Dec 2
Dec 5 – 9
Dec 12 – 16. I have a commitment on the 13th of that week, but maybe we can do the Valentine hearing later that week. Natasha, it would be great if you can attend that hearing.

Is there anyone else I should include on this list?
Thanks!

Thanks – we now have a venue for each location, is it possible to set dates? Some of these places book up quickly once the weather gets cold and so far they aren't holding anything for us. I feel like the date of the hearing is the first thing law enforcement is going to ask me too.

Yes. Sorry about that. Here is the updated information.

During our briefing with Darcy yesterday, Elyana Sutin reminded us that we will probably need to arrange for security at each location. Sorry to add to the list of work. Is this something you have done before? I guess ask each venue contact how security would be arranged through the local police department? Maybe they have a contact at the police department. I ran into this only once before & we paid the local police department to have a policeman on site during our hearing.

Thanks

Valois,

The venue information listed for Rapid City is the same as for Edgemont...is this a mistake?
